Forest Management Workforce Development Seminar Series

Sponsored by the Governor's Office of Planning and Research and in alignment with the Governor's proposed budget incorporating the efforts of the Forest Management Task Force, you are invited to participate in a series of workgroup seminars to enhance workforce development efforts toward gainful employment opportunities in forest-related industries.

Working together, this statewide workgroup intends to accomplish the following:

- Connect regional partners to address workforce gaps
- Identify regional commonalities and address these statewide
- Develop training options for forest-related employment
- Establish solid forest sector career pathways
- Link workforce development agencies with training opportunities and employers
- Increase diversity in the workforce and address equity and inclusion in hiring practices

Seminar Series – The series will consist of four 50-minute sessions and will include regional breakouts to address local issues.

This series is intended for a variety of partners and stakeholders including:

- Land Management Organizations
- State and Local Governmental Agencies
- Industry-Related Employers
- Community Colleges, Universities, Educators and Training Organizations
- Workforce Development Agencies
- Conservation Corps
- Landowners
