Repopulation of some areas of Inyo Creek Fire

LONE PINE, Calif. June 24, 2021 – Beginning at 8 a.m. Friday June 25, the area east of Olivas Ranch Road will be permitted to repopulate. This includes properties along Lone Pine Creek between the current road closure and Olivas Ranch Road.

If you are a resident of the area, you will need to provide your address and identification to security personnel at the existing road closure located at Horseshoe Meadow Road. Additional repopulation will take place in increments as the Inyo Creek Fire is suppressed.

As a reminder, please drive safely as you enter the area, as firefighters and fire equipment may be traveling or working from roadways.
