Continued repopulation of some areas of Inyo Creek Fire

LONE PINE, Calif. June 25, 2021 - Beginning Saturday, June 26 at 8 a.m., the Whitney Portal Road closure will move from Horseshoe Meadows Road to Olivas Ranch Road.

Ranches west of Olivas Ranch Road will be permitted to repopulate. Residents should be prepared to provide identification and address information to security personnel at the road closure.

Repopulation will continue to be completed in increments as additional progress is made on the Inyo Creek Fire.

As a reminder, please drive safely as you enter the area, as firefighter and fire equipment may be travelling or working on the roadway.

For updates on the Inyo Creek Fire, please check InciWeb at: <https://inciweb.nwcg.gov/incident/7564/>.
